ABSTRACT

This book is a compilation of over 400 hints and ideas written by practicing school library media and technology specialists. Ideas are drawn from the "ShopTalk" column in "Library Talk: The Magazine for Elementary School Library Media and Technology Specialists." The book is organized in the following eight sections: (1) Putting Your Best Image Forward--Bulletin Boards and Displays; (2) Connecting with the Curriculum; (3) Focus on Reading; (4) Library Skills and the Curriculum; (5) Managing the Library; (6) Getting the Word Out--Public Relations; (7) Helping to Make Technology Work in the Classroom; and (8) Technology Talk.
